

## Curling with NEOEA

**Place:** Mayfield Curling Club, 23103 Miles Road, Suite D, Warrensville Hts., Ohio 44128

**Time:** 11:00 a.m.-1:00 p.m.

**Chairperson:** Ryan MacRaidl

### AGENDA

With the winter Olympics coming up, Mayfield Curling Club is offering NEOEA members an opportunity to try the sport of CURLING at no charge. This two-hour session will teach you the history and basics of the sport, delivery techniques, strategy and how to sweep the rock. A great winter activity for young and old, competitive and recreational, curling has been played all over the world and can be taught to students even WITHOUT ICE! But sign up early for the real thing and get your chance to throw a rock at the house, but don't hog it. HURRY HARD and sign up as spots are limited! (If those last few sentences didn't make any sense, they will after your training.) Great for PE teachers and others with an interest in athletics! Coached by Curlers and educators, this event will be like no other PD you have ever attended. Bring a camera, your friends won't believe you!
