Tuesday, September 1, OR
Wednesday, September 2
7:00-8:00 p.m. via Zoom

Every Election Matters. Public Education Is on the Ballot.

This November's election will have a direct impact on Ohio's public schools, educators, students, and our profession. Now is the time to get informed and be prepared.

Join NEOEA for a special member briefing on the recent legislative attacks on public education, what they could mean for educators and our schools, and the important role each of us can play during this election season.

To make it as convenient as possible, we are offering the same Zoom briefing on three different evenings:

- **Monday, August 31 – 7:00 p.m.**
- **Tuesday, September 1 – 7:00 p.m.**
- **Wednesday, September 2 – 7:00 p.m.**

Attend the date that works best for you—each session will cover the same information.

This briefing is open to OEA members only. Please share this invitation with your fellow OEA members and encourage them to attend.

Together, we can protect public education by staying informed, engaged, and ready to make our voices heard at the ballot box.
