# Local Affiliates and House Districts

Representatives and Senators can be chosen according to members' residence or employment, or both.

For looking up legislators by residence, the most efficient tools are on the Internet; we suggest:  
[www.legislature.ohio.gov](http://www.legislature.ohio.gov) or <https://findmydistrict.ohiosos.gov/>

The list which appears below is useful for finding legislators by employment; it lists NEOEA's local affiliates and their house districts. Each Senate district includes three House districts, and a chart of Senate districts is provided at the end of this report.
