### The ABCs of AI

#### *What Educators Need to Know with Eric Curts*

Join us for this special webinar hosted by the NEOEA Professional Development Committee: *The ABCs of AI - What Educators Need to Know with Eric Curts!*

The capabilities and availability of Artificial Intelligence tools have skyrocketed in recent years. It is critical for educators to consider how to best address and use AI in education. In this session, we will explore the ABCs of AI with Google for Education Trainer and Innovator Eric Curts.

- A) **About AI** – What AI tools are currently available and how they work.
- B) **Benefits of AI** – Practical and powerful ways to use AI for teaching and learning.
- C) **Concerns of AI** – How to address potential misuses of this transformative technology.

Whether you're just beginning to explore AI or looking to deepen your understanding, this webinar will provide valuable insights for educators at all levels.

Register today to learn more, deepen your understanding, and gain the knowledge you need to navigate the evolving AI landscape with confidence. Don't miss this opportunity to stay ahead in the age of AI!

(And, be sure to register for the NEOEA Megaconference for three more sessions with Eric Curts! The information is at [neoea.org/files/Megaconference.pdf](https://neoea.org/files/Megaconference.pdf).)
